Growing up together

MANUAL

**LIVE

PULSE
 **YOUTH**

Note From Pastor

Hello Parents and Guardians,

I trust that this manual will find you well and be helpful for answering questions that you may have about policies and practices of our Group. My goal as your youth's pastor is NOT to parent. My goal is to come alongside and help guide them into positive decisions in their life. I hope to connect with you and learn more of how I can be an aid to you. I never wish to go against the parents wishes and look for a route to help the student live a healthy life with God.

Through teaching, retreats, weekly events we hope to expose your student to a model of healthy living that we believe is a lifestyle designed by our creator.

Blessings,

Pastor Wes

Evangel's Youth Philosophy

What we believe about students?

- Every student is created and loved by God. John 3:16.
- Every student has unique gifts and is created with purpose. Ephesians 1.
- Every student makes decisions every day that affect the rest of their life. 1 Peter 1.
- Every student needs a group of friends that care about their future. Acts 2.

Why do we have youth groups?

Life can be a challenge for many youth. It's a big development time for our kids where they are learning who they are, where they belong and what their purpose is.

Our groups are designed to give students strong biblical teaching and a safe environment where they can work through and explore the call on their life.

We strive to fulfill our role in the Great Commission (Mark 16:15) and the Great Commandment (Luke 10:27) by having these 5 purposes in our programs:

- Engaging. (Fellowship) You are called to be a part of this community!
- Empowering. (Discipleship) You are called to grow deeper in relationship with Jesus!
- Experiencing (Worship) You are called to celebrate God's presence!
- Enlightening (Evangelism) You are called to share God's love with all people!
- Equipping (Ministry) You are called to help change the world!

Our goals for our students:

- Have a basic knowledge of the Bible.
- Experience expression in worship.
- Become involved in ministry and discover and use their spiritual gifts.
- Give out of the finances when giving opportunities arise..
- Develop a committed relationship to a church body.
- Are baptized in water and by the Holy Spirit.
- Develop a growing desire to share their faith.
- Strive to grow spiritually.
- Allow their beliefs about the Bible to continually guide their actions.

Our programs:

- For Parents:
 - We strive to connect, encourage and equip parents of adolescents to complete the goals listed above.

- Spiritually accountable relationships.
- Great social student atmosphere.
- Students are able to think and process on their own.
- Fun environment.
- Atmosphere where students feel welcomed and included.

Signs of success:

- Strong committed leadership team of adults: regular meetings for accountability, encouragement, evaluation, proper communication, teaching and support.
- Students who have developed strong relationships with each other and spend time together outside of the program.
- Students reaching out to newcomers and developing relationships that keep them accountable.
- Spiritual growth in students, beginning with a relationship with Jesus Christ and being water and Spirit baptized, discovering and using their spiritual gifts and a desire to share their faith.

Signs of success Cont.:

Parent's Role in Evangel Youth

*“Research continues to show that for better or for worse, a teen’s family represents the most influential network of earthly relationships in his or her life. For this simple reason, we believe that the most effective youth ministry always takes place in the context of the family.”
(101 ways to be family-Friendly in youth ministry)*

What can parents do?

- Work at having a close relationship with your student and disciple them everyday, through prayer, Bible reading, discipleship, discipline, choose and demonstrating a Godly example. To help with this, I strive to meet with parents at their requests for lunch meet ups or after church. This meeting is set to help you;
 - Stay informed on programming and events.
 - Be a part of the youths’ community.
 - Learn about the life of your students.
- Please Pray. We desperately need your prayers over this ministry and intercessory prayer during our programs each week. We are not fighting against things of the flesh but of the things of the spirit and our greatest victory can be won through prayer. I am expecting each parent to pray during the week for their student and all of the students in the programs they attend.
- Volunteer in the program your student is in. There are many ways to volunteer. Being a leader for the program, bringing in snack, helping chaperon during retreats, financially supporting in fundraisers. ****Any volunteers directly interacting with youth, will need to participate/complete (in) our churches’ Plan To Protect Training.****
- Help encourage and support your students to get involved and be on time for program events, activities and programs and to pick them up on time.
- Become a mentor to some teens that need extra guidance and spiritual direction.
- Learn. Please do not assume that as a parent you know everything about this generation by the conversations over the dinner table.

All about Jr High

Jr High (Live Wire) Wednesday Nights:

- For students who are 11-13 years old and/or in grades 6,7,8.
- Regularly from 7-815pm on Wednesdays from September through May.
- Meeting at the Pines (door 6) unless notified. Doors open at 645.
- Summer program consists of bi-weekly events.

General elements of the program:

- Opening/closing activities:
 - Students will have 15 minutes before we start to have free time with various sports activities. Our night starts at 7 and opens typically with 10 minutes of an ice breaker and any announcements regarding future activities or events. We close our night with a moment of prayer.
- Small Groups:
 - From time to time we will split up into groups and discuss a topic in smaller group to encourage interaction and engagement.
- Message:
 - Each week Pastor Wes or one of the Leaders will give a 10-15 minute message about a topic assigned by Pastor Wes. The topic is to encourage the student to embrace the call and challenge Christ gives us to lead a selfless loving sacrificial life that points people to Jesus.
- Snack:
 - Each week we try to provide a small snack that the kids can enjoy between games. We make every effort to make sure they are allergen safe and appropriate for our students while also fun!
- Worship:
 - We have some weeks where we sing songs either with a live band and/or with a video aid. These time are to teach our kids about worship and invite them to communicate to God.
- Games:
 - Each night we plan one to two games to encourage our students to interact and develop skills to positively interact with each other. Some times these are sports or goofy games and other times we will supplement the game for a craft.

Typical Jr High (Live Wire) Night:

- Most nights follow the formula outlined above. Some nights will be adjusted based on topic of message and also themed nights.
- Holiday Parties:
 - Thanksgiving, Christmas and Easter are holidays we usually run special events and/or have events outside of our normal program times. These will be advertised through email and our churches' newsletter.
- Wheel of WOW:
 - Wheel of WOW is a fun night done every other month where students have the opportunity to spin a wheel for prizes/candy or a chance to punish a leader. (Examples include; pie in face, slime dump, soup soak, ice water dump)

Fundraisers:

- From time to time we like to raise money for large events and trips, primarily for retreats, conventions, mission trips and camps.
- Money will be raised from the church congregation and from the community.
- Some examples of fundraisers we would do are car washes, bake sales, selling coupon books, sport tournaments, banquets.

Retreats, Conventions and Camps:

- These trips have significant value in a student's life. We have seen exponential spiritual growth in students who take a whole weekend or week to focus on God and to be with their Christian friends. We believe these events are essential in their walk with Jesus.
- Our fall Retreat is a joint trip with our Sr. Highs. This trip typically takes place in the fall (October). We join other youth groups from our section (Windsor Region in the WOD-PAOC). This retreat runs through the weekend. Generally, a speaker will be invited to come and challenge our students spiritually, at the same time bring the youth group closer together through activities and games during the day.

Live Wire Church - Sunday Mornings:

- On the 2nd and 4th Sunday in a month, we will have a separate teaching time for our Jr high students on Sunday mornings. These Sundays will be identified. The students will take part in our Sunday worship and then be dismissed to the portable for teaching and activity for their age.

Summer program:

- Each summer we try to meet biweekly for a pool party/BBQ. Dates and details are emailed out ahead of time.
- Events happen in the months of July and August.
- This is an opportunity for our leaders to have a rest from weekly programming before fall and allow new grade 6's to join us before the fall.

All About Sr. High

General Elements of the Program:

 - Pulse Youth band consists of our own youth and youth leaders, who sing, play keys, guitars, drums, have a sound person and a lyrics person. Each week practice will happen at 6pm for that night's music.

 - Instructions and updates on new and upcoming events. Also a time we update students on our sponsor child.
- Testimonies:
 - The Adult Leaders and students - to see what God is doing in their life, to build faith and to get to know the background of our leaders.

 - Great way for us to give back to our community.

Extra Events

- Some nights may include or be an extra activity.
- May have additional cost.
- Could be trips to bowling, trampoline park, corn maze, concert etc.
- Parents will know by email and social media about upcoming events.

Summer Program:

- Summer events will be listed but addresses will only be given by email.
- Normally these nights are more relaxed from 6-9pm.
- They will have leaders to watch kids during the events.
- Events often include swimming (swimming guidelines apply)

Youth Rally

- Great event to invite friend and connect with other youth groups in city and in our section (Windsor).
- Consist of a typical student service: worship, message, games, fellowship.

Retreats, Conventions, Camps, Mission Trips:

- These trips have significant value in a student's life. We have seen exponential spiritual growth in students who take a whole or week to focus on God and to be with their Christian friends. We believe these events are really important in their walk with Jesus.
- The goal would be to have each student go on three trips a year:
 - A retreat in the fall (Remnant)
 - A convention in the Spring (Overflow)
 - A camping trip or short term mission trip (Summer)
- The retreat (Remnant) in the fall is an out of town trip typically after thanksgiving. This trip combines Jr. and Sr. high students and will be a 2 night event. Generally a speaker will be asked to come and challenge them spiritually at the same time bringing the group closer together through activities and games during the day.
- The convention (Overflow) in the spring is an out of town trip typically after Victoria Day weekend. This is a 2 day one night trip where students from many PAOC churches gather to learn about God and enjoy many fun activities.
- Camping trips would happen in the summer and would consist of our group only. A great time to get together and fellowship.
- Short term mission trips would be set and announced well in advanced for a small group of student to go and experience a mission.

Fundraisers:

- From time to time we would like to raise money for large events and trips, primarily the retreats, conventions, camps and mission trips.
- Money will be raised from the church congregation and from the community.
- Examples of some fundraisers that we might have are: Silent auctions, Pizza fundraiser, bake sales, car washes, banquets, sport tournaments.

Pulse Youth Band:

- Pulse youth band is a combination of youth and leaders who desire to lead youth into worship and are excited to serve God with their talents.
- The team practices weekly at 6pm on Friday and is scheduled through Planning Center Online.
- Our goal is to help students increase their musical skill and help them learn how to lead worship.
- The band is overseen by Pastor Wes.
