EVANGEL PRESENTS:
OH CHOCOLATE NIGHT
Saturday December 18, 2021
6:00 p.m. - 8:00 p.m.

CHILDREN'S MINISTRY: This past Wednesday night was another good time at Kids Connection. The children are quick to take part and really seem to be enjoying and getting something out of their time here. This coming week December 1st we will wrap it up until January 12th.

Sunday in Super Church we will be taking a look at how important bridges are in everyday life. Bridges get us from here to there. Likewise, *Jesus is the bridge* that gets us from here to God! We will see how sin creates a gap between people and God. The wonderful news is that Jesus is the bridge over that gap which allows us to get to God (*John 14:6*).

Blessings. **Pastor Emerson**
